

Formulas Provided by the Idaho WIC Program

Effective October 1, 2012

Note: Not all formulas in the WIC Formula Handbook are provided by the Idaho WIC Program; please refer to the WIC Works Website:

http://wicworks.nal.usda.gov/nal_web/wicworks/formulas/FormulaSearch.php

Contract Formulas

Similac Advance

Enfamil ProSobee

Similac Sensitive for Fussiness & Gas

Similac Sensitive for Spit Up

Non-contract standard infant formulas that are nutritionally comparable to contract brand formulas or low-iron formulas will not be issues and Medical Documentation forms/prescriptions will not be accepted under any circumstances.

Per federal regulation, Medicaid is the primary payer for exempt infant formulas and WIC-eligible medical foods issued to WIC participants who are also Medicaid beneficiaries.

Other – these formulas do not fit into any other category, but are available with a prescription for medical conditions containing a medical diagnosis. Not all formulas available are listed below. Highlighted formulas are available in a food package in the computer system.
